Zurich, 7th May 2025

Presenters at FarmCon 25: GIANTS Teases Farming Simulator 25 Expansion + Hands-on Project Motor Racing

Teasing announcements, activities, and revealing presenters, publisher, and developer GIANTS Software shares news about the upcoming annual Farming Simulator convention. The community event will take place the weekend of July 5-6, 2025 at renowned agricultural manufacturer and long-time partner Lindner in Kundl, Austria. Tickets for FarmCon 25 are available now.

Presenters for the State of the Farm & Future

GIANTS Software promises an in-depth look at what's to come for the family-friendly agri simulation. This includes a major expansion for Farming Simulator 25 which will release later this year. Presenting live, the company has announced some of its key people to take the stage – showing off new features & providing remarkable insights:

- Christian Ammann (CEO, R&D Director, Executive Producer)
- Boris Stefan (CSO, Head of Publishing)
- Manuel Leithner (Lead Gameplay Programmer & Producer)
- Stefan Maurus (Gameplay Programmer & Lead Integrator)
- Florian Busse (Senior Level Designer)

Tractors & Race Cars – Horsepower for Everyone

FarmCon 25 will not only allow attendees to play the latest Farming Simulator installment: With the upcoming Project Motor Racing, published by GIANTS Software and developed by Straight4, visitors can also experience the thrill, intensity, and beauty of professional motor racing.

For those who prefer to get behind the wheel of real vehicles, they can take a ride on Lindner's iconic red tractors on the test track. Side activities will also include factory tours and more, promising plenty of action on and off the stage. More info to follow – the FarmCon 24 Aftermovie offers a glimpse of what to expect.

Farming Simulator 25 is available now for PC, Mac, PlayStation®5 and Xbox Series X|S. A Year 1 Season Pass is obtainable, which includes three packs and the mentioned expansion – fans save up to 25% compared to getting the content separately. Visit the official Farming Simulator website and the GIANTS Software press area for more information.

About GIANTS Software

GIANTS Software is an international game developer and publisher from Switzerland, established in 2004 and known worldwide for creating the popular Farming Simulator franchise. Self-sufficient with offices in Switzerland (Zurich), Germany (Erlangen), USA (Chicago) and the Czech Republic (Brno), the team is committed to position itself as a leading publisher in the simulation genre, with Project Motor Racing to be introduced to the racing scene soon. The company maintains a global network of partners and close ties with respective industries. Visit giants-software.com for more information.

About Farming Simulator

With more than 40 million copies of the main series sold worldwide since 2008, the Farming Simulator franchise is leading in its genre. Available on all major platforms, the games feature hundreds of authentic machines from renowned brands and offer compelling agricultural simulation with relaxing, family-friendly gameplay. It's based on the powerful GIANTS Engine – built in-house to provide realistic physics, high-fidelity graphics, dynamic systems and extensive modding support. Visit farming-simulator.com for more information.
